LICOA RETURNS

*The Corvette Express Club of Freehold, New Jersey has been hosting the East Coast Corvette Show & Go at Raceway Park for a good part of a decade now with great success. The event has grown over the years to be one of the biggest and best in the NY/NJ area. The 2009 edition, which will be the 23rd annual, will prove to be even bigger and better than ever. A giant judged car show (300+ cars strong) will cover the Raceway Park pit area for all to enjoy. Drag racing, vendors, autocross, and more promise to give all fans of fiberglass a big bang for their buck. Vette Magazine will cover the event and will be looking for feature cars to put in the pages of their leading Vette publication... Saturday **August 1st** will be the big day. The gates will open at **9am**. We will have our own **Corvette Corral** for spectator parking!*

(If you intend to race you will need a Snell 2000 or later helmet.)
